

Visit the street outside the school

Students issued with:

- Hi-viz vests
- Drawing/comment sheets & pens
- Teacher to have large base plan of street

Each group assigned a supervisor

Supervised groups taken to the street students to:

- Consider what is good about the street and what could be improved
- Fill in findings in drawing/comment sheets

Return to class and discuss findings

Write/draw comments onto plan of street

Use the comments collected and marked up street plan to help inform areas for change and location/types/purpose of design interventions.

5 mins organise groups and walk to street
