

- people still on roads rather paths – need education on this
- x Cyclists on roads – would like to see more off road
- x Enforce people to use cycle paths
- x People on roads at the moment rather the built paths

Slebech is important as an opportunity and to avoid dangers of using the A40

- x Slebech could benefit from visitors and offer food /drink etc
- x Slebech stretch difficult – needs to be used to avoid A40
- x Business opportunity for Slebech!!
- x Very nice tracks at Slebech already
- x Not on the A40!! (x3)

Maintenance needed after build

- x Maintenance an issue - Areas already overgrown on paths developed to the west of HFW
- x Maintenance on paths already developed – overgrown
- x Needs to be maintained
- x Shared use a problem – maintenance after building!

Accessibility and mixed usage

- x Accessible for all
- x Bluestone was gated/fenced off recently – needs to be looked at
- x Shared usage can cause issues
- x Conflicts amongst users
- x Difficult to access bridleways for riders from Johnston
- x Horse and cyclists should be separated - can cause damage to paths
- x Speeding traffic an issue in places#
- x Traffic bombs along straight roads

### Nature of tracks

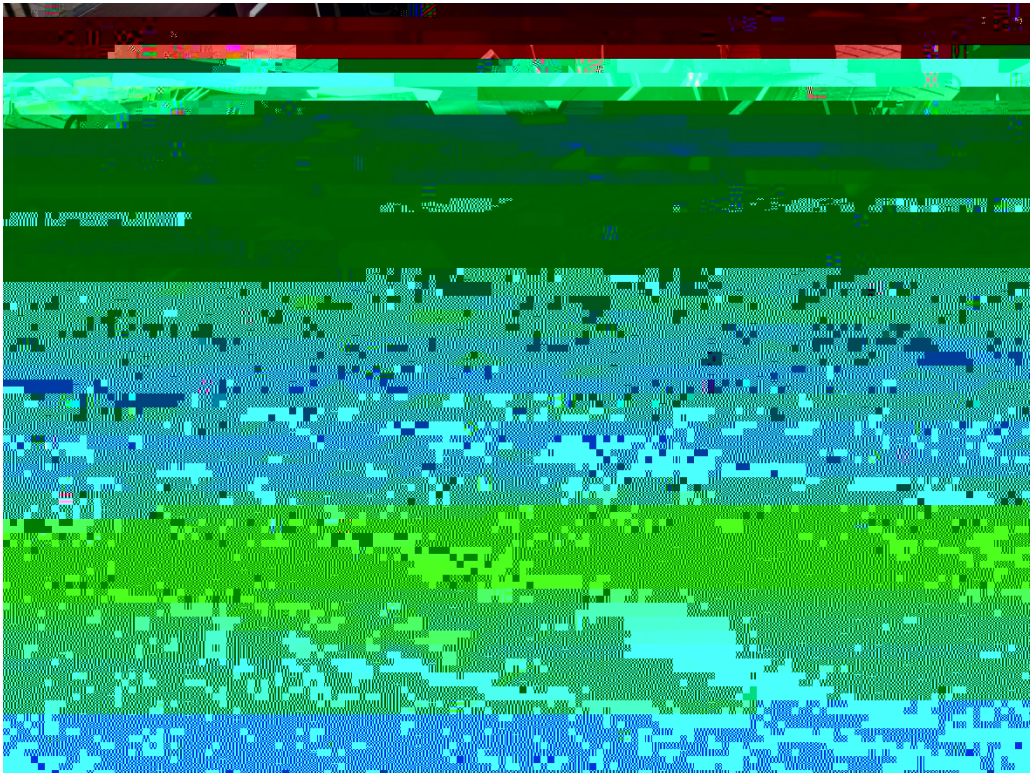

- x Keep any tracks environmentally friendly – raise awareness of wildlife and existing species. Place nature areas alongside or nearby?
- x Don't use tarmac!
- x Surfaces are important especially for multiuse for horses and bikes

### Need to market the route and provide appropriate signage

- x Important how the route is marketed
- x Give an identity – benches and sculptures
- x Signage must be spot on for all users
- x Signage needs to be improved - “to avoid getting lost”

### Haverfordwest -specific

- x Need more in Haverfordwest to bring people in - “Stop destroying the town” – restaurants along the riverside?
- x Ask holidaymakers would they come back to Haverfordwest?
- x A bike park in the area would be good!
- x Loops in and out of Haverfordwest – “flower petals”
- x Connect to Fortune Frolic in Haverfordwest
- x Contact Mike's Bikes in Haverfordwest for involvement

#### Links with adequate public transport

- x Needs to connect to bus services
- x Narberth to Canaston Mill is a great walk – needs to loop back with public transport
- x Public transport is expensive

#### Loops and Links to other trails, attractions and activities

- x Links to Brunel Trail important (x2)
- x Circular walks
- x Loops to the south needed too
- x Circular routes would be good –

Other

- x Good idea!!
- x Great idea for families!
- x Great ideas to help who is looking for a job but unable to drive to feel they can access their workplace easily and safely
- x                   4
- x           4
